**Recommend us**  
to your friends and  
we'll make it worth  
your while!

**BERKELEY  
GUARD**

**BURGLARM  
SECURITY**

We are proud that so many of our clients recommend us to their friends and work colleagues. To thank you we offer a choice of incentives to spread the word further.

If your recommendation leads to a new Berkeley Guard System, **choose one of the rewards, pictured right, to the value of £50.00**

If your recommendation brings us a new Berkeley Guard client, but not a new system, **choose a reward to the value of £25.00**

Just make sure your friend or colleague mentions your name when booking a site survey.
